OPDRACHTEN

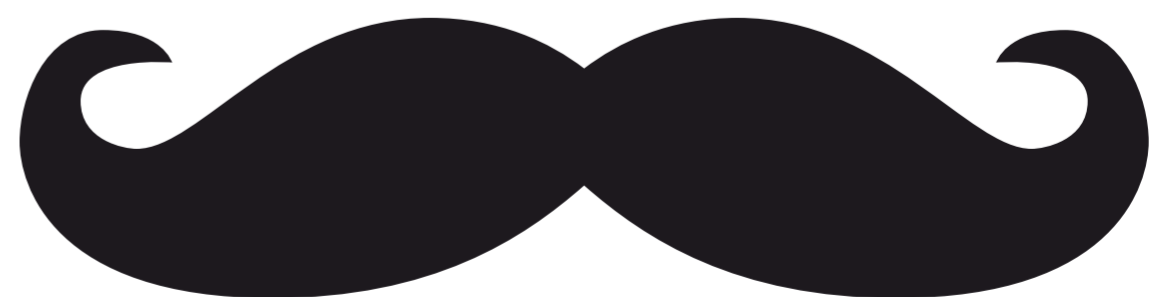

De Gele Auto Opdracht:

Geel staat voor vrolijk & enthousiast. Een banaan is ook geel. Zie je een gele auto roep dan als eerste "Banaan!"

De Rode Auto Opdracht:
Rood is de kleur van de liefde. Als je een rode auto ziet moet iedereen vertellen op wie die verliefd is.

De Zwarte Auto Opdracht:
Zie je een zwarte auto met een strenge meneer, buk dan snel!

De Witte Auto Opdracht:

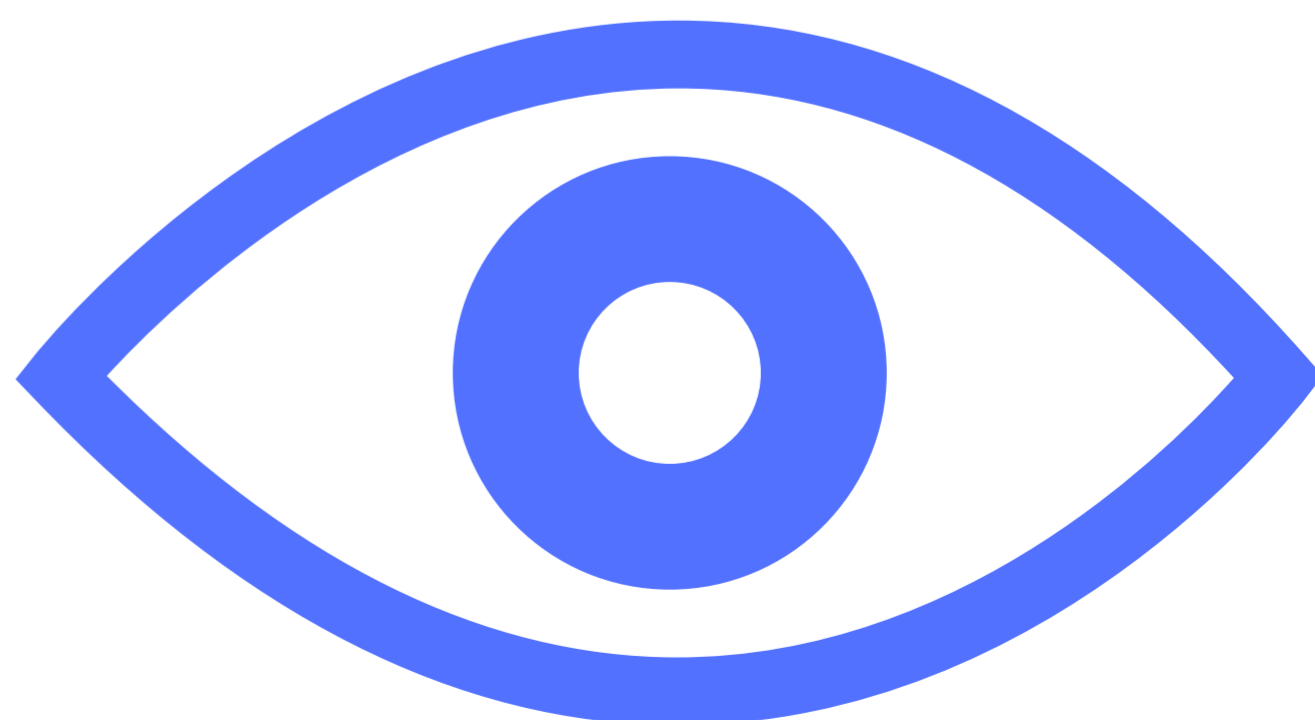

Wit staat voor schoon en smetteloos. Zie je een witte auto, noem dan zoveel mogelijk beroepskleding die wit moet zijn.

De Grijsze Auto Opdracht:
Grijs staat voor rustig en een beetje saai. Zie je een Grijsze auto, zwaai dan. En, wordt er terug gezwaaid?

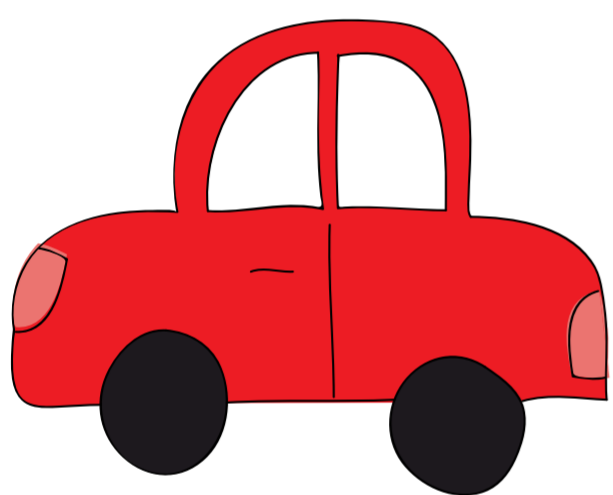

De Blauwe Auto Opdracht:

De kleur blauw werkt kalmerend. Zie een Blauwe auto, dan moet iedereen die achterin zit voor 5 minuten zijn of haar ogen dicht doen.
